Wood (E[ugene] Halsey). Gangliasthenia. 7 pp. roy. 8°. [*Detroit*, 1881.]
Repr. from: Michigan M. News, 1881.

Wood (George).
See **Health** (The) of the people. 8°. [*Bath*, 1844?]

Wood (George B.) The elimination of ether and its relation to the kidney. 9 pp. 8°. *Philadelphia*, 1894.
Repr. from: Univ. M. Mag., Phila., 1894–5, vii.

Wood (George Bacon) [1797–1879]. An oration delivered before the Philadelphia Medical Society. 32 pp. 8°. [*Philadelphia*], *J. Harding*, 1824.

———. An address delivered before the Philomathean Society of the University of Pennsylvania. 30 pp. 8°. [*Philadelphia*], *R. Wright*, 1826.

———. The history of the University of Pennsylvania from its origin to the year 1827. iv, 5–112 pp. 8°. *Philadelphia, M'Carty & Davis*, 1834.

Wood (George Bacon)—continued.

———. Lecture introductory to the course of materia medica and pharmacy in the University of Pennsylvania. 20 pp. 8°. *Philadelphia, T. B. Town*, 1835.

———. Address to the medical graduates of the University of Pennsylvania. (With an appendix.) 36 pp. 8°. *Philadelphia, L. R. Bailey*, 1836. [*Also, in:* P., v. 839; 841.]

———. Lecture introductory to the course of materia medica and pharmacy in the University of Pennsylvania. 20 pp. 8°. *Philadelphia, T. B. Town*, 1836. [*Also, in:* P., v. 1359.]

———. Introductory lecture to the course of materia medica, delivered in the University of Pennsylvania. 24 pp. 8°. *Philadelphia, J. G. Auner*, 1837. [*Also, in:* P., v. 1359.]

———. Syllabus of the course of lectures on materia medica and pharmacy, delivered in the University of Pennsylvania. [With MS. notes.] 69 pp., interleaved. 8°. *Philadelphia, L. R. Bailey*, 1838.

———. The same. [With MS. notes.] 69 pp., interleaved. 8°. *Philadelphia, L. R. Bailey*, 1840.

———. The same. [With MS. notes.] 70 pp., interleaved. 8°. *Philadelphia, L. R. Bailey*, 1842.

———. The same. [With MS. notes.] 1 p. l., 70 pp., interleaved. 8°. *Philadelphia, L. R. Bailey*, 1844.

———. The same. 70 pp. 8°. *Philadelphia, L. R. Bailey*, 1848.

———. Introductory lecture to the course of materia medica in the University of Pennsylvania. 30 pp. 8°. *Philadelphia, Haswell, Barrington & Haswell*, 1840.

———. A memoir of the life and character of the late Joseph Parrish. 72 pp. 8°. *Philadelphia, L. R. Bailey*, 1840. [*Also, in:* P., v. 161.]

———. An address to the class of medical graduates of the University of Pennsylvania. 21 pp. 8°. *Philadelphia, L. R. Bailey*, 1841.

———. Introductory lecture to the course of materia medica in the University of Pennsylvania. 27 pp. 8°. *Philadelphia, Merrihew & Thompson*, 1842.

———. Introductory lecture to the course of materia medica in the University of Pennsylvania. 21 pp. 8°. *Philadelphia, J. Young*, 1845.

———. A treatise on the practice of medicine. 2 v. in 4. viii, 798, 840, xvi pp. 8°. *Philadelphia, Grigg, Elliot & Co.*, 1847.

———. The same. 2. ed. 2 v. in 4. xvi, 806, 816 pp. 8°. *Philadelphia, Grigg, Elliot & Co.*, 1849.

———. The same. 3. ed. 2 v. in 4. xvi, 847, 853 pp. 8°. *Philadelphia, Lippincott, Grambo & Co.*, 1852.

———. The same. 4. ed. 2 v. in 4. xvi, 852, 862 pp. 8°. *Philadelphia, Lippincott, Grambo & Co.*, 1855.

———. The same. 5. ed. 2 v. in 4. xv, 888, 904 pp. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1858.

———. The same. 6. ed. 2 v. in 4. xv, 1002, 982 pp. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1866.
These six editions were Dr. Wood's private copies; they are interleaved, and contain his annotations.

———. Introductory lecture to the course of materia medica in the University of Pennsylvania. 24 pp. 8°. *Philadelphia, J. Young*, 1847.

———. Introductory lecture to the course of materia medica and pharmacy in the University of Pennsylvania. 23 pp. 8°. *Philadelphia, T. K. & P. G. Collins*, 1848.

———. Introductory to the course of lectures on the theory and practice of medicine in the University of Pennsylvania. 23 pp. 8°. *Philadelphia, Merrihew & Thompson*, 1850.

Wood (George Bacon)—continued.

———. An address on the occasion of the centennial celebration of the founding of the Pennsylvania Hospital. 60 pp. 8°. *Philadelphia, T. K. & P. G. Collins*, 1851.

———. A biographical memoir of Samuel George Morton. 19 pp., port. 8°. *Philadelphia, T. K. & P. G. Collins*, 1853. [*Also, in:* P., v. 234.]

———. Introductory lecture to the course on the theory and practice of medicine in the University of Pennsylvania. 26 pp. 8°. *Philadelphia, T. K. & P. G. Collins*, 1853. [*Also, in:* P., v. 408.]

———. An address to the class of medical graduates of the University of Pennsylvania. 16 pp., 1 pl. 8°. *Philadelphia, T. K. & P. G. Collins*, 1856.

———. Address delivered at the late meeting of the American Medical Association, in Detroit, May 6, 1856. 14 pp. 8°. *Philadelphia, T. K. & P. G. Collins*, 1856.

———. A treatise on therapeutics, and pharmacology or materia medica. 2 v. in 4. xvi, 840, 901 pp. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1856.

———. The same. 2. ed. 2 v. in 4. xvi, 847, 931 pp. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1860.

———. The same. 3. ed. 2 v. in 4. xx, 838, 990 pp. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1868.

These three editions were Dr. Wood's private copies; they are interleaved, and contain his annotations.

———. Introductory to the course of lectures on the theory and practice of medicine, in the University of Pennsylvania. 22 pp. 8°. *Philadelphia, Collins*, 1858.

———. Introductory lectures and addresses on medical subjects, delivered chiefly before the medical classes of the University of Pennsylvania. viii, 460 pp. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1859.

———. The same. 2. ed. viii, 476 pp. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1872.

———. Annual address of the president of the American Philosophical Society. 6 pp. 8°. [*Philadelphia*, 1860.]

———. First and last, a poem. 267 pp. 16°. *Philadelphia, J. B. Lippincott & Co.*, 1864.

———. Biographical memoir of the late Franklin Bache, prepared at the request of the American Philosophical Society, and read before the society June 16, 1865. 18 pp. 8°. *Philadelphia, Sherman & Co.*, 1865. [P., v. 234.]

———. Biographical memoir of Franklin Bache, prepared at the request of the College of Physicians of Philadelphia, and read before the college May 3 and June 7th, 1865. 66 pp., 1 pl. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1865.

———. Historical and biographical memoirs, essays, addresses, etc., written at various times during the last fifty years, and now first published in the collected form. 576 pp. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1872.

Also, Co-Editor of: **Journal** of the Philadelphia College of Pharmacy, 1829–35.

Woodhull (Alfred A[lexander]) [1837–]. Catalogue of the surgical section of the United States Army Medical Museum. Prepared under the direction of the Surgeon-General, U. S. Army. 1 p. l., 664 pp. 4°. *Washington, Gov. Print. Office*, 1866.

———. A medical report upon the uniform and clothing of the soldiers of the United States Army. 26 pp. 8°. *Washington, Surgeon-General's Office*, 1868. [P., v. 344.]

———. Clinical studies with large non-emetic doses of ipecacuanha. [With a contribution to the therapeusis of cholera.] 63 pp. 8°. *Atlanta, Ga., Dunlop, Wynne & Co.*, 1875.
Repr. from: Atlanta M. & S. J., 1874-5, xii: 1875-6, xiii.

———. Clinical studies with the non-nauseating use of ipecacuanha, chiefly in intermittents. 23 pp. 8°. *Atlanta, Ga., Dunlop & Dickson*, 1875.
Repr. from: Atlanta M. & S. J., 1875-6, xiii.

———. Studies, chiefly clinical, in the non-emetic use of ipecacuanha; with a contribution to the therapeusis of cholera. 155 pp. 8°. *Philadelphia, J. B. Lippincott & Co.*, 1876.

———. The enlisted soldier.
Cutting from: J. Mil. Serv. Inst., N. Y. & Lond., 1887, viii, 18-70.

———. Provisional manual for exercise of company bearers and hospital corps. 1 l., 34 pp. 12°. *Fort Leavenworth*, 1889.

———. Notes on military hygiene, for officers of the line: a syllabus of lectures at the U. S. Infantry and Cavalry School. 2 p. l., 150 pp., interleaved. 12°. *New York, J. Wiley & Sons*, 1890.

———. The place of the Medical Department in the Army. 22 pp. 8°. *Governor's Island, N. Y. H.*, 1890.
Repr. from: J. Mil. Serv. Inst., N. Y.

———. Observations upon the medical department of the British army, made in 1891. Abridged from an official report. 1 p. l., 160 pp. 8°. *St. Louis, Buxton & Skinner Stationery Co.*, 1894.
Repr. from: Tr. Ass. Mil. Surg. Nat. Guard U. S., St. Louis, 1894, iv.
For Portrait, see **Collection** of Portr. (Libr.).

Woodlands Convalescent Home, Rawdon, near Leeds. Annual report of the committee to the subscribers, for the year 1884. 18 pp. 8°. *Bradford, Brown Bros.*, 1885.

Woodman (Jacobus). *De febre intermittente. 30 pp. 8°. *Edinburgi, A. Neill et soc.*, 1804. [P., v. 30.]

Woodman (John). Notes on transplantation or engrafting of skin. 24 pp. 8°. *London, J. & A. Churchill*, 1871. [P., v. 352.]

———. The same. Skin grafting. 2. ed., revised and enlarged. 31 pp. 8°. *London, J. & A. Churchill*, 1873.

Woodman (Phil.) Medicus novissimus; or, the modern physician: shewing the principal signs, causes, and most material prognosticks; together with the true method of curing all the principal and curable diseases incident to mankind, according to the most modern and best method of practice now in use . . . The whole being in a familiar style, and thereby adapted to the meanest capacities of physical practitioners, for whom 'tis render'd very useful and necessary. 7 p. l., 336 pp. sm. 8°. *London, C. Coningsby*, 1712.

———. The same. 2. ed. 6 p. l., 336 pp. 12°. *London, A. Ward*, 1722.

Woodman (*Samuel*) [1843–86].

Obituary. Lancet, Lond., 1886, i, 655.—**Pollock** (G. D.) Obituary notice. Med.-Chir. Tr., Lond., 1887, lxx, 27–29.

Woodman (W[illiam] Bathurst) [1836–77]. On the relative frequency and value of certain symptoms of congenital lues. 16 pp. 8°. *London, Odell & Ives*, 1874.

Repr. from: St. Andrew's M. Grad. Ass. Tr. 1872–3, Lond., 1874, vi.]

———. The introductory lecture at the opening of the London Hospital Medical College, for the winter session 1875–6, on October 1st, 1875. 16 pp. 8°. *London, Wertheimer, Lea & Co.*, 1875.

See, also, **Tidy** (C. M.) & **Woodman** (W. B.) On ammonia in the urine, [etc.]. 8°. [*London*, 1872.]

For Biography, see Brit. Med. J., Lond., 1877, ii, 124. *Also:* Med. Exam., Lond., 1877, ii, 558; 576. *Also:* Obst. J. Gr. Brit., Lond., 1877–8, v, 743 (C. West). *Also:* Tr. Obst. Soc. Lond. (1878), 1879, xx, 20–22.

——— & **Tidy** (Charles Meymott). A handy-book of forensic medicine and toxicology. xix, 1205 pp., 8 pl. 8°. *London, J. & A. Churchill*, 1877.

Woodman (*William Robert*) [1829–92].

Obituary. Brit. M. J., Lond., 1892, i, 98.

Wood-pulp.

Tracy (E. A.) A new material for surgical splints and jackets, with a method for applying it. J. Am. M. Ass., Chicago, 1893, xxi, 307.

Woodroffe (John) [1781–1859]. Observations on Dr. Bullen's letter to the trustees of the South Infirmary. 66 pp. 8°. *Cork, J. Bolster*, 1820. [P., v. 1554.]

For Biography, see Lancet, Lond., 1859, i, 331.

Woodruff (Charles E[dward]). The U. S. Army ration and military food. 47 pp., 1 tab. 12°. *Chicago*, 1892.

Repr. from: J. Am. M. Ass., Chicago, 1892, xix.

Woodruff (Hiram) [1817–67]. The trotting horse of America: how to train and drive him, with reminiscences of the trotting turf. Edited by Charles J. Foster, including an introductory notice by George Wilkes, and a biographical sketch by the editor. xxxvi, 37–412 pp., port. 8°. *New York, J. B. Ford & Co.*, 1869.

Woods.

See **Forests.**

Woods (Alva). Baccalaureate address delivered August 10, 1835, at the fourth annual commencement of the University of the State of Alabama. 12 pp. 8°. *Tuscaloosa, Ala., Meek & M'Guire*, 1835.

Woods (Caroline H.) Woman in prison. vi (1 l.), 193 pp. 16°. *New York, Hurd & Houghton*, 1869.

Woods (Henry). A lecture on the diseases of sheep, with plain and practical directions for their treatment, and numerous well-tested recipes for medicines, etc. 59 pp. 8°. *London, W. Ridgway*, 1873.

Woods (Hiram). Diphtheritic conjunctivitis: report of two cases, with the bacteriologic study of the false membrane. 15 pp. 12°. [*Philadelphia*, 1892.]

Repr. from: Med. News, Phila., 1892, lx.

Woods (J[oseph] T.) Woods' hammock splint, for all fractures of the leg and thigh. 12 pp. 8°. *Toledo*, 1874.

Zodiacus medico-gallicus, sive miscellaneorum medico-physicorum Gallicorum titulo recens in re medica exploratorum, unoquoque mense Parisiis Latine prodeuntium annus primus, scilicet m.dc.lxxix. Authore Nicolao De Blegny, R. G. C. O. Accessere ejusdam tractatus duo utilissimi; prior do herniis, posterior observationes circa lucm veneream continens. Also for years 1680–83. In 2 v. sm. 4°. *Geneva,* 1680–85.

In volume for 1680, title is changed by inserting after "re medica" the words "et naturali", and after "Parisiis" by erasing "Latine" and inserting "Gallice". v. 4, for 1682, title becomes after "miscellaneorum" "curiosorum, medico-physicorum sylloge continens celeberrimorum virorum tum medicorum, et aliorum eruditorum in Gallia observationes, tum opuscula medica et physica, Gallice emissa et Latinitate donata". This was commenced by Theophilus Bonetus as a translation of "Les nouvelles découvertes".
